COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

MAIL STOP ISSUE FEE

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Applicant makes the following comments on the Examiner's statement of reasons for allowance:

The Examiner's statement should not be misinterpreted as meaning that the identified features are the only patentable features in any of the claims. The independent claims and the dependent claims include various aspects which provide a separate basis for patentability. The Examiner's statement emphasizes certain aspects of the claims, but each claim should be interpreted using its own precise language, without inferring any particular emphasis from the Examiner's statement.

The claims are carefully written to precisely define the bounds of the invention, and persons reading these remarks hereafter should note that any difference between the Examiner's language and the language of the claims should be resolved by recourse to only the express language of the claims.

Patent Office personnel are requested to note that the present submission does not adversely affect the patent term adjustment accrued by Applicant to date. As emphasized in the "Clarification
